

# OGA Net Series Points

## OGA Net Series Points List

The Net Series Points system is used to award the Male and Female Net Player of the Year trophy to the competitors that has accumulated the most points at the end of the golf season. In addition, the top three men and top two women on their respective lists will earn free entry in the following year's OGA Net Championship.

At the conclusion of each OGA Net Series Event, points will be awarded based on the overall net finish, respective of gender (both male and female finishers that place will receive points). In order to receive Net Series points a competitor must be an OGA member at the time of the competition. Before posting points, the OGA will adjust handicaps according to Section Rule 3-5 of the USGA Handicap System. If the competition is contested on a team basis, points will be divided by the size of the team (e.g. in a four-ball competition, each partner will receive half of the points listed below).
