ELIGIBILITY: Open Division open to golfers of all skill levels with no age restrictions. Senior Division: Open to golfers of all skill levels over the age of 50 on the day of the event. (Both members on the team must qualify for a Partner Series event)

ENTRY FEE: The entry fee for Individual competitions and Partner competitions includes: 18 holes of golf and prize pool. Cart rental is available on a first come first serve basis on-site for an additional fee. To register for the OGA Member rate you must be an OGA Member at the time of registration and on the date of the event.

Discounts are available as follows: **EARLY BIRD:** OGA Members registering prior to March 1st at 5:00 pm (pst) pay \$75 per entry. Mailed entries must be postmarked prior to March 1st.

METHOD OF ENTRY: The OGA Tour accepts walk-ins, phone, mail, fax and online entries. You may register via fax or through our online registration at anytime.

FORMAT: Individual tournaments are 18-hole stroke play gross and net competitions where you must hole out on every hole (NO gimmies or concessions allowed). Partner tournaments are 18-hole stroke play gross and net competition played under Rule 23 Four-Ball Stroke Play. Each side will consist of 2 players. Each player will play their own ball throughout the round with the low gross and low net score on each hole counting toward the 18 hole gross and net score for the side. Note that the Four-Ball format requires only one player on a side to hole out on each hole though hole scores must be individually identifiable on the scorecard returned by the team.

FLIGHTS: OGA Tour events are flighted based on the handicap as of the close of entry date. The number of gross and net flights will be determined based on field size.

FIELD LIMIT: Open to the first 78 participants in the individual series and the first 40 teams in the partner series, regardless of division. Entries will be accepted according to the date and time of receipt of entry and entry fee. If the field size of an event is 15 or less the Committee reserves the right to cancel the event.

TEES: Tees are assigned by the Committee in charge of the competition, and change for each event. Typically the "Open Division" will play between 6,000-6,500 yards, and the "Senior Division" will play at 5,700-6,200 yards. Yardages are used as a guide and the Committee has the right to adjust course ratings and yardages at anytime.

PRACTICE ROUNDS: Practice rounds are not included in your entry fee. Please do not contact Private Clubs regarding practice rounds. At public and resort facilities you are welcome to contact the course directly to schedule a practice round at the going rate.

HANDICAP INDEX: The Committee reserves the right to modify a player's Handicap Index. Handicap Indexes will be calculated as of the close of entry date. If you wish to compete and do not have a Handicap Index issued by a State/Regional Golf Association, your handicap may be reduced or refused at the sole discretion of the Committee. If you choose to participate without a handicap you will not be eligible for the net competition and will compete in "flight one" of the gross competition. If you do not have a Handicap Index issued by a State or Regional Golf Association it is recommended you contact the OGA prior to registering for more information.

COURSE HANDICAPS: The OGA utilizes Rule 6.2b of the Rules of Handicapping to adjust Course Handicaps as required for players competing from different tees with different pars. Course Handicaps are reduced according to USGA recommendations. For Individual Series events, players receive 95% of Course Handicap to calculate the final Playing Handicap. For Partner Series events, players receive 85% of Course Handicap to calculate the final Playing Handicap.

TIES: Should the competition result in a tie for prizes matching scorecards is used per the USGA recommended method to determine final position. Should a tie still remain, ties will be decided by lot. All other positions resulting in a tie will not be broken.

PRIZES AND POINTS: All prizes conform to the Rules of Amateur Status. The prize fund is determined by multiplying the number of competitors by \$20. Points are awarded based on the OGA Tour Point Schedule and top performers will be invited to participate in the OGA Tour Championship. All OGA Members with a current Handicap Index are eligible to earn prizes and points. Players without a current Handicap Index will only be eligible to earn prizes and points in "flight one" of the gross competition.

Optional side-games that pay both gross and net payballs will be available to participants with the option to enter the side-game upon check-in at each event. All prizes will be announced and awarded approximately 30-45 minutes after the final scorecard is received. Points will be awarded within 5-days of the competition and posted on the OGA website.

REGISTRATION/DEADLINE: All entries must be received with full payment by midnight on the deadline date. All entries are based on availability, and having your entry in by the deadline does not guarantee placement in the event.

TRANSFERS: In the event that you are unable to participate in an event you have registered for and notify the OGA prior to the registration deadline, you may transfer your entry to another OGA Tour event on a place available basis. All transfers will be charged a \$10 administrative fee.

WITHDRAWS: If you withdraw, you must do so before the registration deadline either online or by notifying the OGA. Your entry fee will be refunded minus an administration fee of \$10 up to the registration deadline. If you withdraw for any reason after the registration deadline your entire registration fee will be forfeited.

RULES: The Rules of the USGA shall govern all play. In addition, see the OGA Local Rules and Terms of the Competition for additional Local Rules and Conditions that will be in effect during OGA Tour competitions. All players are required to check-in prior to each event where a Local Rules sheet will be distributed containing additional course specific Local Rules (check-in available until 20-mins before competition begins).

DRESS CODE: Suitable attire must be worn at all times. Suitable attire does not include spandex body wear, cutoffs, running shorts, running suits, short-shorts, tank tops, tee shirts, denim of any kind or color, or unkempt clothing of any kind. STARTING TIMES/PAIRING INFORMATION: This competition is a shotgun start. All players must be at their assigned starting hole ready to play when the competition begins. Check-in will open at least 60 minutes before the competition starts and closes 20 minutes prior to the competition start. The OGA Tour does not honor pairing requests and assigns starting hole and group by player or team handicaps.

PACE OF PLAY: It is your responsibility to keep pace with the group in front of you and play your round in approximately 4:30 minutes. Players are provided with a scorecard that shows the expected finishing time for each hole as well as the total time allotted for the round. Players/teams are expected to return their card in a reasonable time after the round (usually a maximum of 30 minutes after the expected finish time). Players/Teams deemed late by the Committee may not be eligible for prizes or points for that event. An appeals form is available to turn in with the card if extenuating circumstances warrant consideration.

UNOFFICIAL WITHDRAW: Entrants who unofficially withdraw without an acceptable reason and without notifying the OGA will not be granted entry into any future OGA events for a minimum of one year.

LEGAL DISCLAIMER: I have noted the requirements for acceptance into this event and am qualified for the division I have entered. I understand that entries are subject to approval or rejection at any time (including during the event) by the OGA, at its discretion, and by the host club. The reason for rejection may include unbecoming conduct. The OGA assumes no liability for any conditions of this event. Any disciplinary actions imposed on a contestant by the OGA may be formally communicated to a representative of the contestant's club and/or to any other allied golf association that the OGA deems appropriate.

OGA NET PERFORMANCE POINTS ADJUSTMENT (KTPTS): The OGA Tournament Committee has instituted a policy by which they reserve the right to adjust the Course Handicap of any competitor in future competitions. This Policy is based on a modification of the Knuth Tournament Performance Points System (KTPTS) as licensed from Dean Knuth. A reduction of a competitor's Course Handicap will be based on the following criteria. High finishes in any Net portion of a 36 hole OGA championship with 81 participants or more in a division during a two year period will be awarded points accordingly: 1st = 12, 2nd = 10, 3rd = 8, 4th = 6, 5th = 4. High finishes in any Net portion of a 36 hole OGA championship with 40 - 80 participants in a division during a two year period will be awarded points accordingly: 1st = 8, 2nd = 6, 3rd = 4, 4th = 2. High finishes in any Net portion of a 36 hole OGA championship with 20 - 39 participants in a division during a two year period will be awarded points accordingly: 1st = 6, 2nd = 4, 3rd = 2. High finishes in any Net portion of a 36 hole OGA championship with 1 - 19 participants in a division during a two year period will be awarded points accordingly: 1st = 4, 2nd = 2. High finishes in any Net portion of an 18 hole OGA competition (OGA Tour - Individual Series) during a one year period will be awarded points accordingly: 1st = 3, 2nd = 2, 3rd = 1. High finishes in any Net portion of an 18 hole OGA competition (OGA Tour - Partner Series) during a one year period will be awarded points accordingly: 1 - 9 teams 1st = 3, 10 - 19 teams 1st = 3, 2nd = 2, and 20+ teams 1st = 3, 2nd = 2, 3rd = 1. Any contestant who accumulates 17 points over the stated period may have their Course Handicap reduced by 1 stroke for use during the competition. Any contestant who accumulates more than 17 points during the stated period will have their Course Handicap reduced an additional 1 stroke for each additional two points accumulated.
